Dear Sir/Madam,

Re: English Proficiency Letter

This is to clarify that English is the official and first language of instruction at Dedan Kimathi University of Technology. All units, courses and academic activities are conducted primarily in English to ensure effective learning and communication.

This certification is issued upon the request of Emmanuel Makau to support his application for admission process to an educational institution in the Abroad, confirming that English has been a medium language of instruction throughout his studies at our university.

Should you require any further information, please feel free to reach to contact us.
