Dear Emmanuel,

Congratulations! YOU HAVE BEEN ADMITTED TO THE UNIVERSITY OF DENVER beginning fall quarter 2025. This is a significant and memorable accomplishment that celebrates not only your previous accomplishments, but the start of your future here at DU. We would like to welcome you to our Mathematics major. This is the major you selected on your application, but if you are interested in changing your major, please contact Undergraduate Admission.

In addition, I am delighted to announce you have been named a **Mt. Blue Sky** Scholar in recognition of your stellar academic record and past achievements. As a Mt. Blue Sky Scholar, you will receive an annual tuition award of \$23,000. This and any need-based financial aid you may be eligible to receive will be distributed evenly over fall, winter, and spring quarters (this award is not applicable toward summer and interterm courses). This scholarship will be in effect from the point of your initial enrollment for the amount of time estimated to complete your degree (based on the transfer credit granted when we receive your final official transcript/s) and is renewable provided you are a full-time student (12 - 18 credits per quarter) in good academic standing.

0 – 44 quarter hours	First-year academic status	4 years of DU institutional aid
45 – 89 quarter hours	Second-year academic status	3 years of DU institutional aid
90 – 134 quarter hours	Third-year academic status	2 years of DU institutional aid
135+ quarter hours	Fourth-year academic status	1 year of DU institutional aid

You will receive an email providing instructions for viewing your credit evaluation online within the next few weeks. Completed courses are reviewed individually for possible placement within your major and Common Curriculum requirements.
